

Make mentoring a strategic business imperative. Studies show that there is a positive correlation between a positive mentoring experience and an increase in productivity, employee retention and job satisfaction AND larger Company Profits!

Effective mentoring, however, is a tremendous time commitment on the part of the employee and the mentor if done within your own company. And what happens when You are your own Company and do not have a mentor or coach?

ANIMAL INDUSTRY/PET GROOMING MASTERY is The Revolution in Training and a One-Stop Mentoring Solution to Explode Your Income Results!

Our vision to create a one-stop shop for Pet Grooming Professionals is now a reality. The site is still being filled with content and a few bugs are being ironed out, so please bear with us as this site will become your most valuable professional resource!!

Animal Industry/Pet Grooming Mastery is dedicated to empowering the lives of Groomers and Stylists, and by doing so, dramatically improving the professionalism of our industry.

Now with our online tools, tips, mentoring programs and resources from experts in the industry you will have everything you need to excel and build the business AND the life of YOUR vision.

We look forward to being of service to you and supporting you in your success.
