ENROLMENT FOR Licensed Master Pet Stylist (2001)

The Licensed Master Pet Stylist is an advanced test to demonstrate the expertise and skill required from the experienced groomer working in a commercial environment. This advanced skills testing program developed by the Grooming Institute of Canada, in conjunction with the National Agency of Pet Grooming Schools

The aim of the program is to offer Professional Groomers the opportunity to gain the Licensed Master Pet Stylist indicating they have achieved a nationally recognized advanced standard of skills and knowledge.

Entry to the examination is open to anyone who has passed the Grooming Institute of Canada's 9901 Licensed Groomer of Excellence and is a fully paid up member of the Grooming Institute, and whose candidature for the examination has been approved by the latter.

The Licensed Master Pet Stylist designation will be awarded only to those candidates who reach the required standard in both the practical and written components of the examination.

ALL CANDIDATES MUST HAVE PASSED THE GROOMING INSTITUTE OF CANADA'S 9901 LICENSED GROOMER OF EXCELLENCE.

THE PRACTICAL TEST

Enrollment

Candidates must apply in writing to the Grooming Institute of Canada, using form 2001E, enclosing a cheque made payable to the same for the Practical Module Fees. The deadline for application for the Module Exam and payment of fees is **6 weeks before the exam date.**

Dates and Venues

Examinations are carried out at Test Centers approved by the Institute. Where possible candidates will be offered a choice of venues and dates. Where a candidate nominates more than one Test Center for the practical component, it is on the understanding that each alternative is acceptable. Once an applicant has been accepted and assigned a date and venue for the exam, this cannot be changed or canceled except in the event of unforeseen circumstances, ie fire, flood, power failure. Only then will an alternative date be arranged and fees refunded or credited in such circumstances. Dates are available on the third Sunday of each month, except for July, August and December when there are no test dates available.

Written confirmation will be sent for attendance at least 4 weeks before the exam using form 2001R. All test dates are provisional until 3 full candidates have confirmed attendance and paid all fees in full.

The Practical Test

Candidates are responsible for obtaining suitable dogs for the Tests and transporting them to and from the Test Venue. The examinations are set in the following format and comprise"

1. **Modules 1 and 2**

Module 1: Scissoring--Puppy Cuts

Module 2: Handstripping Wire Coated Breeds

2. **Modules 3 and 4**

Module 3: Style and Shape, combining Clipping and Scissoring--Mixed breed

Module 4: Natural Coated Dogs (ie. German Shepherd, Siberian Husky etc.)

3. **Modules 5 and 6**

Module 5: Scissoring Parted Coated Breeds

Module 6: Clipping and Scissoring Long Legged Terriers

All preparation must be completed prior to arrival at the Test venue, including any bathing, drying or coat care required for each breed. Ears, nails, groin and anal area must be dealt with. Trimming under pads as part of the preparation is optional. This preparation forms part of the marks allocated.
